I am a student pursuing a Bachelor of Technology in Electronics with a strong interest in using technology to solve business challenges. Excited about the opportunity to learn and work on cutting-edge projects in a team environment. Seeking an internship to apply my skills and contribute to innovative solutions that make a difference.

Education

B-Tech, Electronics & Communication Engineering Sagi Rama Krishnam Raju Engineering College	2020-24
12 th (Intermediate) Sri Chaitanya Junior College, Vijayawada, Andhra Pradesh	2020
10 th (Central Board of Secondary Education) Abhyas the Global School, Pedda Amiram, Andhra Pradesh	2018

Technical Skills

- Programming Languages – C, C++, Java, Python, DBMS
- Web Technologies – MySQL, HTML, CSS
- Networking – CCNA
- Problem Solving, Communication, Adaptive in Nature & Analytical Thinking

Internships

Machine Learning Intern, Henotic Technologies, Hyderabad	Jun-Aug'2022
<ul style="list-style-type: none">• Developed a machine learning model to predict brain strokes by using Python, pandas, Numpy, Sklearn, matplotlib.• Random Forests Model is used to develop the Project.	

Work Experience

- **Organized a College Fest** **Mar'2023**
I successfully organized a college fest encompassing diverse domains, including asset management, wealth management, financial operations, and technical events.
- **WEBSITE USING FLUTTER** **Jan-Mar'2023**
Developed a website for a departmental body using Flutter, decreasing development time, while increasing its overall reliability and scalability. **i.e.,** Firebase is used as a server.
- **Volunteer and mentor for the Hardware IOT Project EXPO** **May-2022**
I successfully volunteered as a mentor for an Intercollege College IOT Project Expo, where I played a key role in guiding and mentoring students. During this experience, I had the privilege of supervising and assisting with the completion of three impactful projects.

Achievements

- Successfully conducted a Coding Event in College as part of the Technical Fair. **Mar'2023**
- Represents the Departmental Student Body In College.

Extra-curricular Activities

- Worked as a Volunteer in the event TRANCE-2K23.
- Hobbies include watching sci-fi movies and writing.
- Enhancing Financial knowledge to achieve financial independence.
